Residence Hall Application

It is an integral part of a MSCC education to provide residential living and learning opportunities for her students. The opportunities for interpersonal growth gained from residence hall living can rarely be duplicated elsewhere.

ALL SINGLE STUDENTS, taking eight or more hours of classes, not living with parents, are required to live in college housing. Anyone desiring an exception must request a petition from the Office of Administration and file it for approval no later than one month before the beginning of each semester. All others are expected to reside on campus.

If you plan to live in college housing, please complete and return this request along with $50.00 as a room reservation and maintenance deposit.
